Although their leadership roles differ, Today's Leading Ladies (TLL) share a common trait. In many ways, these leading ladies maintain supporting roles. Among other influences however, exceptional talent and a strong desire to help others fuel their success.

The TLL video features: "Thelma" and Chip Hurd (Good Times), recording artists, Joanna Rosario, Shei Atkins, Ramona Jones, and Joy Enriquez, Roberta Shields (The Ludacris Foundation), Roxanne Wilson (The Apprentice), and others....
